KANAPOWER® Tank Truck Drop Hose and Vapor Recovery Hose

- Scuff and abrasion resistant
- Durable and flexible
- 50% lighter than rubber hose

Manufacturing hose in 26 countries worldwide, it's only natural that the makers of Kanaflex hose would come up with the easiest handling drop and vapor recovery hose to be found anywhere.

KANAPOWER hose, being half the weight of other hose, is the answer to the industry's need for a lightweight, tough, durable and flexible hose that makes drop deliveries easier for drivers. Both hoses have been designed to handle unleaded gasoline and up to 15% gasohol. Constructed of our own blend of static dissipating Nitrile and T-Polymer, KANAPOWER DROP HOSE is manufactured in 3" and 4" sizes.

Available lengths are 60' and 100'. KANAPOWER VAPOR RECOVERY HOSE is manufactured in 2", 3" and 4" and is also
