

Municipal Double Jacket Fire Hose

Hi-Combat II™

Hi-Combat II™ is the ultimate in fire fighting hose technology for aggressive interior combat operations. Its unique 4-part construction design gives professional combat firefighters the performance, flexibility and endurance to deal with the toughest challenges.

With higher kink, heat, abrasion and chemical resistance, lower drag coefficient and unique anti-burst technology, Hi-Combat II's super powerful attributes set standards for fire hose that every fire fighter deserves.
