

CHEMREST

Best® CHEMREST is dedicated strictly to selecting gloves for chemical resistance. This user-friendly website contains ASTM and CE compliant chemical resistance data for over 9000 chemical tests and includes the following features.

- Over 300 pure chemicals or chemical mixtures tested
- 16 different Best gloves tested including new styles
- ASTM test methods for two levels of exposure, heavy and intermittent
- ASTM F739-96 Standard Test Method for Permeation by Liquids or Gases Under Conditions of Heavy Continuous Exposure where glove materials are totally immersed in the test chemicals for eight hours
- ASTM F1383-96 Standard Test Method for Permeation by Liquids or Gases Under Conditions of Intermittent Contact where glove material is exposed to the test chemical intermittently
- Degradation testing at four time intervals
- EN 374 ratings for permeation breakthrough time
- Toxicity and risk information for over 300 chemicals
- NFPA health, flammability and reactivity for over 300 chemicals
- International Agency for Research on Cancer status for each chemical
- American Conference of Governmental Industrial Hygienists "Skin-Notation" chemicals are noted
- Environmental Protection Agency's "Extremely Hazardous Chemicals" are noted
- Pictures of each glove with complete information on ordering and uses
- Search the Website by chemical name or CAS number
- E-mail technical questions to Best Technical Services or contact your Best representative in your national or international area
- Print out chemical resistant table to your printer for each chemical
- Linked to Bestglove.com

CUSTOMIZED CHEMREST™ TESTING

Under certain conditions, we can use our state-of-the-industry permeation testing equipment to analyze the particular chemical or chemical mixture from which you're seeking protection to help you determine which

Some testing procedures are subject to a modest service fee. Quotations offered upon request.

LIMITED WARRANTY AND DISCLAIMERS

Best warrants only that gloves manufactured by Best will be free from defects in materials and workmanship at the time of manufacture. This limited warranty expires one (1) year after shipment. This limited warranty is exclusive and in lieu of all other warranties, express, implied, or statutory. Best's entire obligation and the exclusive remedy to any party for breach of this limited warranty shall be limited to replacement or refund of the original purchase price of the product, at Best's option, and subject to customer's compliance with Best's Returns policy. Best's limited warranty shall not apply, however, to Best-made gloves that have been subject to misuse, accident, or negligence during service, handling, or storage.

DISCLAIMER OF IMPLIED WARRANTIES

All implied warranties which may arise by implication of law or application of course of dealing or usage of trade, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose, are expressly excluded. There are no warranties which extend beyond the description on the face hereof. The end user is solely responsible for the suitability of the glove selection for a particular application.

FORCE MAJEURE

Best shall not be liable for delay in or failure to perform any of its obligations if the delay or failure results directly or indirectly by Force Majeure. "Force Majeure," as used herein means any law, order, regulations, or government action; failure or delay of transportation; suspension or cancellation of any required license(s); insurrection, riots, national emergencies, war, acts of public enemies, strikes or other labor difficulties; inability to obtain necessary labor, manufacturing facilities, materials or components from Best's usual sources; fires, floods or other catastrophes; acts of God or any cause of like or kind beyond our control.
