

# RIV-NAIL

**Rivet Hinge Fasteners** are used for major applications that require high strength and small pulleys. These include construction equipment, agriculture, wood products, and mining. Underground mining makes extensive use of these products for conveyors and structures that are extended or withdrawn in the course of mining. All fastener strips are sold 1 set/carton.

## R-3 Rivet Fasteners

Installation is fast! Consider the advantages over 375 and 550 nut and bolt design where holes must be aligned and punched before installation begins. With the R-3, there are 40% fewer Riv-Nails than with the larger R-5 version. All this means material and labor savings with our unique product when the application warrants its use.

### STEEL R-3 RIVET FASTENER

NUMBER	PRICE
--------	-------

R-3-18	\$ 13.56
R-3-24	17.64
R-3-30	21.68
