Air Chief Automotive Interchange Quick-Connect Couplers

Air Chief automotive quick-connect couplers will interchange with the more popular makes of automotive quick-connect fittings such as Amflo, Dill, Milton and Truflate. There are some makes however, which do not interchange with any others. If you plan to interchange these couplings, make sure you have plug ends with the proper configuration.

- Rated **300 PSI**
- Temperature range - **40°F to 250°F**
