

Push-In Fittings

Push-In Fitting Kit

Kit includes plastic case with threaded connectors, threaded elbows and several tube to tube connector configurations found on pages 144-148. A tubing cutter is also included in the kit.

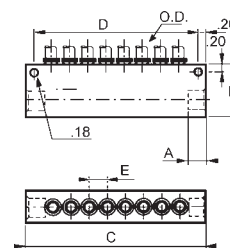

Part #	Price/E
TFK	922.90

Kit contains the following parts:

Part #	Qty	Description	Part #	Qty	Description
31755311	10	tube to male NPT connector	31060400	10	tube to tube union
31750411	10	tube to male NPT connector	31065600	10	tube to tube union
31755611	10	tube to male NPT connector	31066000	5	tube to tube union
31755614	10	tube to male NPT connector	31400400	10	Y connector
31756014	5	tube to male NPT connector	31405600	10	Y connector
31756018	5	tube to male NPT connector	31406000	5	Y connector
31090411	10	tube to male NPT elbow	31040400	10	tube to tube union tee
31095611	10	tube to male NPT elbow	31045600	5	tube to tube union tee
31095614	10	tube to male NPT elbow	31046000	5	tube to tube union tee
31096011	5	tube to male NPT elbow	30007100	1	tubing cutter
31096014	5	tube to male NPT elbow			
31096018	5	tube to male NPT elbow
