

Tube Doors

- Welds to standard aluminum hose tube
- Stainless steel spring
- Lockable
- Quality cast aluminum

Part #	Size
TDF6	6"
TDF7	7"
TDF8	8"

Aluminum Ladder Step

- 13" wide, contoured for welding to 2" aluminum tube
- Serrated anti-slip tread
- Cast from high tensile aluminum alloy

Part #
15S

4" Aluminum Dummy Adapter

- Similar to BZ4051 tank collar, but cast aluminum
- Welds to aluminum cabinet for clamp mounting of drop elbows

Part #
AL4051-BORE

3" Pipe Cap

- 3" NPS female thread
- Aluminum body with Buna gasket
- Comes with heavy duty 12" chain and 'S' hook
- 150 PSI maximum working pressure

Part #
PC30

Grounding Studs

- Solid brass, stainless steel or aluminum
- With 3/8"-16 UN-3A thread
- For static electric grounding and overfill protection systems

Part #	Material
GS1	brass
GS2	stainless steel
