

Making the Right Choice

At Henkel Corporation, we invent more than just quality Loctite® branded products, we provide solutions to industries' biggest challenges. Whether we are reducing assembly cost, providing design and application assistance, or increasing the reliability of your process, **Henkel is dedicated to earning and keeping the trust of our customers.** Through this philosophy, Henkel has assumed a position of worldwide leadership.

With this comprehensive guide for maintenance engineers in all industries, you can easily select the correct Loctite® branded product needed to overcome your immediate problems and to prevent future breakdowns and failures. Some of the most common maintenance problems and solutions can be found in the Table of Contents to the right.

This guide has been developed to make your product selection quicker, easier, and right the first time. We have even included a "Need It Now!" order form so you can quickly select the products you need.
