

PREMIUM HAND PROTECTION

Ninja® Professional Grade Series
Professional Grade hand protection is engineered to provide the highest level of innovation. Each of the offerings in the Professional Grade Ninja® series include a unique shell and polymer combination to best take advantage of the latest hand protection technology. Our Ninja® X, Ninja® Flex, and Ninja® Max offer the greatest assortment of dexterity, sense of touch, and protection. Similar to sports and fashion gloves, our Ninja® series are more attractive and user-friendly than traditional hand protection options. Consumers are more likely to wear and thus reduce injuries.

Ninja® is the registered trademark of Midas Safety.
