

- **Sales Tip:** If an entrance is not large enough to accommodate OPERA™, recommend one or more sections as individual mats. (See pages 31, 32 & 33).
- **Where to Specify:** All large, upscale entrances: offices, hotels, professional buildings.

- A NOTRAX® exclusive: the first of its kind 3 mat system in one beautiful mat design.
- The first 3 to 4 feet of the mat (depending on length of mat) features a looped non-absorbent yarn to scrape debris and moisture from foot traffic.
- The second 3 to 4 feet of the mat combines the looped scraper yarns with absorbent Decalon® looped pile to begin the drying function.
- The final 3 to 4 feet of the mat is pure Decalon® looped pile to complete the drying function.
- All yarns are color-coordinated to combine beauty with functionality.
- A dense combination of yarns ensure maximum performance.
- Overall thickness is 3/8 inch.
- A heavyweight vinyl non-slip backing ensures minimum movement.
- Recommended and approved product as a part of the GreenTRAX™ program for "Green Cleaning" environments.
