

- **Sales Tip:** Color-coordinated to OPERA™ (page 30) or other component mats (pages 32-33).
- **Where to Specify:** All large, upscale entrances: offices, hotels, professional buildings

- Another NOTRAX® exclusive: a combination scraping and drying mat that marries together looped scraper yarns and Decalon® looped pile absorbent yarns.
- The wide performance strip design runs the width of the mat to scrape against traffic as it passes over.
- All yarns are color-coordinated to combine beauty with functionality.
- This mat is the center section of the OPERA™ mat.
- Overall thickness is 3/8 inch.
- A heavyweight vinyl non-slip backing ensures minimum movement.
