

VAN GORP provides immediate service from any of our conveniently located warehouses. This coast-to-coast network of *Pulley PlacesSM* means you get the pulley you need when you need it.

VAN GORP's factory warehouse serves the entire midwest region from its centrally located facilities in Pella, Iowa.

Other warehouses are strategically located across the United States and Canada. Please contact VAN GORP for the warehouse nearest you.

SAFETY DEVICES — The products are provided with only those safety devices identified herein. It is the responsibility of the purchaser to furnish appropriate guards for machinery parts in compliance with OSHA standards, as well as any other safety devices desired by purchaser and/or required by law.

VAN GORP PRODUCTS pictured, described, or listed in this publication are illustrative only. Application and use of these products must be in accordance with applicable codes and regulations and must be arranged and/or provided with covers or other guards where necessary to assure the safety of personnel.

VAN GORP concentrates entirely on pulleys — all day, every day. That's why service from *The Pulley Place*® is the most dependable you can find!
