

# Major innovations in fire fighting technology

Only the best will do for those who risk their lives to protect others and we are proud that firefighters across the world trust our products to enable them to do their job in the face of danger.

Kidde Fire Fighting has a range of tools and agents for safely tackling every type of fire - and newer, even more effective methods are being developed every day. Today we provide everything firefighters need to fight fires including hose, hose hardware, foam nozzles, and foam systems.
